JOB EXPERIENCE

Graphic Designer (**Osiyo Ziyo Print LLC**)

Dec 2021 - Jan 2022 · 2 mos (Full time)

Worked on advertising visualizations and preparing digital designs for various stages of the production process, utilizing laser printers, plotters, and other related equipment.

Graphic Designer (**Smart Technology Systems LLC**)

Jun 2023 - Nov 2023 · 6 mos (Full time)

Created visualizations for marketing products. Additionally, compiled reports on completed projects and handled supplementary tasks beyond the scope of graphic design.

Graphic design (**Freelance**)

Dec 2023 - Present · 2 yrs 5 mos

Designed visualizations for marketing products, interiors, and social media, aligned with brand identity, UX/UI projects, working directly with clients.

- Wallink, Art Crafts team: Designed visuals (illustrations, infographics, etc.) for a vertical wall printer (projects: Millat Umidi, Rennessans School, FTTI Institute of Pharmaceutical Education, and others).
- Learning centers (Fitrat Ta'lim, MySchool, etc.): Designed visualizations for marketing products and prepared files for production.
- Optima Best Plast LLC: Designed the product catalogue, created visualizations for marketing products, and prepared files for production.
- And others ...

Brand Identity designer & Product designer (**Karmon AI LLC**)

Jan 2025 - Present · 1 yrs 4 mos (Full time)

- Brand Identity - Created the brand identity and visualizations for marketing products, developed presentations for pitching, and produced SMD visualizations.
- Product Design (UX/UI) - Analyzed the market (competitors), created wireframes, designed user flows, and developed user interfaces for mobile and dashboard versions.

Karmon AI Startup Results for this period:

- Reached 50,000+ registered users.
- Secured \$50k in investment from local ventures.
- Won a \$10k grand prize at the SevanStartup Summit, 1st place with a \$100k grand prize at the President Tech Award 2025
